Company Introduction

Rabigh Modern Company (RMCO)

Founded in 2005, Rabigh Modern Company (RMCO) is a Saudi Arabian-based engineering and construction firm, certified under the Integrated Management System standards: ISO 9001:2015 (Quality Management), ISO 14001:2015 (Environmental Management), and ISO 45001:2018 (Occupational Health & Safety).

RMCO delivers comprehensive Engineering, Construction, Operations & Maintenance, and Support Services to clients across the Petrochemical, Oil & Gas, Power, and Infrastructure sectors. Over the years, the company has built a strong reputation for delivering complex projects with precision, safety, and efficiency.

Our core capabilities include Civil, Structural, Mechanical, Electrical, and Instrumentation works, supported by a highly skilled workforce and robust project management systems. RMCO is committed to excellence, adhering to the highest standards of Quality, Health, Safety, and Environment (QHSE) in all aspects of its operations.

RMCO VISION & MISSION

At Rabigh Modern Company (RMCO),

- we are deeply committed to delivering services and solutions that precisely meet our clients' requirements while upholding the highest standards of Quality, Health, Safety, and Environment (QHSE) as core values of our business.
- We strive to establish and maintain long-term, mutually beneficial relationships with our clients, business partners, and stakeholders across all regions we serve.

RMCO VISION & MISSION

Core Values:

◆ **Timeliness**

At RMCO, we believe that every task—regardless of its size—must be executed with excellence, delivered on schedule, and aligned with the expectations and needs of our clients.

⚙️ **Commitment**

We are dedicated to implementing the highest standards of QHSE by integrating cutting-edge technologies and best practices. This ensures satisfaction and trust among our clients, suppliers, partners, and stakeholders.

🌐 **Geographic Expansion**

RMCO is committed to strategic growth and national expansion. We operate through a network of regional branches led by qualified professionals, ensuring consistency in quality and service across all locations.
